# WHAT IS IT FOR?

MARCH 2024:  
PASTORAL CARE DEVELOPMENT  
NEEDS

The March 2024 Jesus Trail will raise funds for the development of the Nazareth Hospital's Pastoral Care Team through training, professional development and research. Since its early beginnings, at the Nazareth Trust, we have been committed to meeting the spiritual needs of our staff, patients, students and volunteers.

With your contribution, you could support the following projects:

- Developing culturally sensitive pastoral care training materials.
- Researching on relevant topics such as forgiveness, hospitality, religious coping and spiritual distress.
- Training opportunities for the members of the Pastoral Care Team by taking part in courses and conferences in Israel and abroad.
- Organising an International Pastoral Care Conference in Nazareth in 2025.
- Hosting Christian spiritual formation programs for local and international participants.

NOVEMBER 2024:  
NAZARETH ACADEMIC SCHOOL OF  
NURSING SCHOLARSHIPS

The funds raised during the November 2024 Jesus Trail will go towards scholarships for students at the Nazareth Academic School of Nursing. Nursing is a rewarding profession and in high demand, offering students financial security and abundant opportunities for career progression.

Over 300 students enrol at the Nazareth Academic School of Nursing each year. Some students are promising academically but struggle financially to support their studies. Some students are unable to sign up for a course due to their financial circumstances.

Your fundraising target of £2000/\$2,500 covers one year's tuition fees for one student. With your help, we can provide partial or full financial support to a promising student.

Can you help our students move into a life-changing career?

Join us for this incredible walk through Israel and experience Zippori National Park, the Sea of Galilee, the Golan Heights and some surprises on the last day!

The trail follows many of the significant places from the life of Jesus.

Each day of the walk is different and up to 20km in distance. The Jesus Trail is a challenging hike and requires a reasonable level of fitness.

There will also be an opportunity to tour the Nazareth Hospital and the Nazareth Academic School of Nursing, and experience first-hand the difference your fundraising will make.

An optional period of devotion will take place each day.

# THE NAZARETH TRUST

The Jesus Trail fundraising event is organised by The Nazareth Trust. With roots traceable back to 1861, The Nazareth Trust has grown to become a major provider of healthcare and education in Nazareth and the surrounding regions. We empower the people of Nazareth and beyond, by advancing well-being across all communities and borders, irrespective of faith, political persuasion or tradition.

These are our four key areas of work:

## NAZARETH HOSPITAL EMMS

Funded in 1861 by Dr Kaloost Vartan, the Hospital serves as the main trauma centre for Nazareth and the surrounding area. We provide a wide range of services including general surgery, maternity, paediatrics, psychiatry and intensive care.

## NAZARETH ACADEMIC SCHOOL OF NURSING

Celebrating its 100th Anniversary in 2024, the School enjoys its well-equipped facilities and provides nursing training for around 400 students within the Arab community every year. Our values of love, compassion and respect shape how our staff and students work together. These values are important, as they create a culture where all can learn and grow, whatever the person's background or belief.

## NAZARETH VILLAGE

At the Village, visitors experience Nazareth as it was during the time of Jesus. The vivid imagery of Bible stories brings the first century to life. On the tour, experienced guides help people understand more about the life Jesus lived through our working farm, a unique replica first-century synagogue, and different arts and crafts of the period.

## SERVE NAZARETH

The SERVE Nazareth programme connects Christians from around the world with ministries in Jesus' hometown. Our goal is to fulfill needs through service, to grow the kingdom of God in Nazareth and to grow each participant in Christ. Every person who takes part in SERVE makes a difference in the community and grows in passion to serve the Lord.
