

# NAZARETH PROJECT INC.

## Annual Report FY23

(July 1, 2022 – June 30, 2023)

LETTER FROM BOARD CHAIR

### From the Board Chair, Wayne Speigle

Nazareth Project, Inc (NPI) is pleased to provide financial and moral support to our partners in Nazareth. Your contributions to NPI are the foundation from which we support the chaplaincy at Nazareth Hospital, nursing scholarships and specialized training for West Bank doctors. Thank you!

We always wish we could do more for our partners in Nazareth. To that end, we have hired Ron Byler as our part-time Development Officer and we have engaged Dani Beam Associates to strengthen our grant writing to foundations. However, your support of our core budget is critical for this expansion.

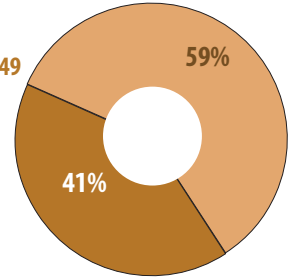

(UNAUDITED) FINANCIAL REPORT

### INCOME

- Contributions & Other Revenue: **\$214,549**
- ASHA Grant Revenue: **\$308,942**

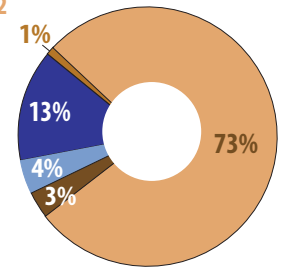

**Total: \$523,491**

### EXPENSES

- Marketing: **\$16,917**
- Professional & Consulting: **\$18,577**
- Compensation & Benefits: **\$68,248**
- Other Operating Expenses: **\$6,705**

**Total: \$492,389**

**INCREASE IN NET ASSETS: \$31,102**

PROJECTS

### NPI Project Focus for FY24 (July 1, 2023 – June 30, 2024)

- ✓ The chaplaincy at Nazareth Hospital
- ✓ Nursing scholarships through the Nancy Martin Memorial Scholarship Endowment Fund
- ✓ Specialized training of West Bank doctors at Nazareth Hospital

*Dr. Tareq Shabana, a physician from the West Bank, is currently in his first year of specialized training in emergency medicine at the Nazareth Hospital. Most emergency medicine departments in West Bank hospitals lack expertise in case management and operate mainly on triage.*

*Dr. Shebana's main goal is to train and return to Hebron, his hometown, in order to help the Palestinian people. "I want to provide the best care I can in my area of specialization. I am very grateful for this opportunity that the Nazareth Hospital is providing me." Dr. Shaban plans to work at Al Ghad Hospital in Hebron.*

## Nazareth Project Can Help You Express Your Values

Pearl Zehr is passionate about passing on her commitment for supporting ministries like Nazareth Project to others in the generations that follow her. When we met together recently, Pearl wanted to talk about how we get more young people involved. Last Christmas, for example, she shared notes about the organizations she supports with her Christmas gifts to her grandchildren.

A retired nursing educator who taught nursing at Youngstown State University for almost 20 years, Pearl says she and her late husband Floyd were not wealthy but they saved what they could and supported the ministries they cared deeply about. Today, she supports the nursing program at Nazareth Hospital, as well as the program for training doctors from the West Bank.

**Pearl wants to share more about Nazareth Project with her friends. She has also included Nazareth Project as a beneficiary in her will. "I am grateful for the life I have been given and I want to share my resources with others," she says.**
